Our contract with You

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You (see the definition of "You" for details of who is covered by this term).

The Policy consists of:

- this document which sets out the standard terms of Your cover and its limitations;
- the relevant Schedule issued by Us to You. The Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions that amend the standard terms of this document. Only those sections shown as covered in Your Schedule are insured; and
- any other change to the terms of the Policy otherwise advised by Us in writing (such as an Endorsement). These written changes may vary or modify the above documents.

These are all important documents and should be carefully read together and kept in a safe place for future reference. When You enter into the Policy You confirm and warrant that You have read or will read the Policy documents when provided to You. Any new or replacement Schedule We may send You, detailing changes to Your insurance or the Period of Insurance, will become the relevant Schedule, which You should carefully read and retain.

We reserve the right to change the terms of the Policy where permitted to do so by law.

We cover You in accordance with the insurance as described in the Policy, for the Period of Insurance shown on the Schedule and for any subsequent period where renewal may be agreed. The maximum amount We will pay under the Policy will not exceed the Sum Insured shown on the Schedule unless otherwise specified in the Policy.

You are required to comply with the terms and conditions of the Policy. Please remember that if You do not comply with any term or condition, We may (to the extent permitted by law) decline or reduce any claim payment and/or cancel Your Policy.

If more than one person is insured under the Policy, a failure or wrongful action by one of those persons may adversely affect the rights of any other person insured under the Policy.

Parties entitled to cover

We only cover those parties shown in the Schedule unless otherwise stated in the Policy as being a person or entity entitled to cover.

The Policy is intended to indemnify You for Your responsibility for any covered loss or damage to Goods which You are transporting for Your Customers. It does not provide insurance for any other party including Your Customers, Principals or Subcontractors.

The Policy does not entitle You to provide any financial service (including insurance) as defined in section 766B of the Corporations Act 2001 (Cth)) for the benefit of any other party; or to represent to Your Customer that You are able to arrange insurance for their benefit.

Under the terms of the FSRA, unless You hold an Australian Financial Services Licence (AFS Licence) with appropriate authorisations, or have been appointed as an Authorised Representative of an AFS Licencee, You must not advise any other party that:

- they do not need to insure their Goods because You have insurance in place; or
- You can arrange insurance on their behalf.

You may be in breach of the law if You sell, organise or arrange insurance on someone else's behalf. Any advice or recommendation You give about an insurance product may also cause You to be in breach of the law. Substantial penalties can be imposed in the event of a breach.

Understanding Your Policy and its important terms and conditions

You need to decide if this insurance is right for You and to do that You need to carefully read:

- about each of the available types of cover and benefits and exclusions in the relevant Sections One, Two and Three (the standard cover provided under each section can be affected by the following);
- the rest of this "Introduction and important notices" section – this sets out how You apply for cover, the basis on which We insure You, the Duty of Disclosure You need to meet before We insure You, Our privacy information, Our dispute resolution procedures and other important information;
- the "Words with special meaning" section – this sets out what We mean by certain words used in the Policy. These words begin with a capital letter throughout this document;
- the "General exclusions applicable to all sections" section – this sets out the general exclusions and limits that apply to all covers and benefits;
- the "General conditions applicable to all sections" and "Claims procedure" sections – these set out certain general rights and obligations that You and We have;
- all of the documents that make up the Policy, including the Schedule and any Endorsements or other written changes to the cover We issue You with – these contain specific details relevant to You and can affect the cover.

Headings are provided for reference only and do not form part of the Policy for interpretation purposes.

The Policy is made up of the three sections summarised below. Each of these sections provides a different type of cover. You select the sections that You require based on Your contract situations and business requirements in the Proposal You submit to Us:

- **Section 1 – Carrier's Legal Liability for Goods Carried**
This section is available where You limit Your liability by incorporating Approved Terms and Conditions into Your contract of carriage. It covers Your legal liability to pay certain compensation for loss of or damage to Goods whilst in Your Conveying Vehicle or Your premises and during Transit (subject to other relevant criteria). It also covers Your liability for certain Consequential Loss incurred by the owner of the Goods caused solely by the covered loss or damage and provides some other Additional covers.
- **Section 2 – Accidental Damage Cover**
This section covers You for Accidental loss of or damage to covered Goods whilst in Your Conveying Vehicle or Your premises occurring during Transit irrespective of Your legal liability or contract terms (subject to other relevant criteria).
- **Section 3 – Specified Perils Cover**
This section covers You for loss of or damage to covered Goods whilst in Your Conveying Vehicle or Your premises occurring during Transit caused by a defined Insured Event irrespective of Your legal liability or contract terms (subject to other relevant criteria).

A Liability Defence costs cover is provided under Sections 2 and 3 where You choose to decline liability under Your conditions of carriage in relation to a claim by a Customer for loss of or damage to Goods that would be covered by Section 2 or 3 (as applicable). Both sections also cover Your liability for certain Consequential Loss incurred by the owner of the Goods caused solely by the covered loss or damage and provides some other Additional covers.

Cover is only provided in relation to events occurring during the Period of Insurance and within the Geographical Limits.

You are not automatically insured under each section. You are only insured for the covers You request and which We agree to and note as applicable in the Schedule.

If You have cover for the same Goods under any two, or all three Sections of the Policy, You may elect which Section You wish to claim under but You cannot claim in relation to the same loss under more than one Policy section. We will not be liable for any one loss or series of losses arising from the same event in excess of the Sum Insured for the section claimed against.

Please note that the above is a limited summary only and not a full description of the covers. You need to read the cover sections and the Policy in full to properly understand the cover. Each cover noted is subject to terms, conditions,

exclusions and limitations (including the General Conditions and General Exclusions) not listed in this summary and which may be contained in the documents that make up the Policy.

Applying for cover

When You apply by completing Our application process You need to provide the information We require to determine whether to issue a policy and if so, on what terms, including (to the extent they are optional):

- the covers and benefits You want (including the property You wish to cover);
- the limits You want;
- the period of cover You want;
- whether You want any third parties to be noted as having an interest;
- the Excesses that You agree to contribute for certain claims;
- whether any standard terms need to be varied (this may be by way of an Endorsement).

Where We agree to issue a Policy, cover is provided on the basis:

- that You have paid or agreed to pay Us the premium for the cover provided;
- of the verbal and/or written information provided by You which must have given in accordance with Your Duty of Disclosure.

If You fail to comply with Your Duty of Disclosure or have made a misrepresentation to Us, We may be entitled to reduce Our liability under the Policy in respect of a claim and/or We may cancel the Policy. If You have told Us something which is fraudulent, We also have the option of avoiding the Policy (i.e. treating it as if it never existed).

Your Duty of Disclosure and the consequences of nondisclosure, are provided under the heading 'Your Duty of Disclosure' on page 5.

Renewal procedure

Before Your Policy expires, We will advise You whether We intend to offer renewal and if so on what terms. This also applies for any other renewal We make, unless We tell You otherwise.

It is important that You check the terms of any renewal before renewing to satisfy Yourself that the details are correct. In particular check the Sum Insured amounts to ensure the levels of cover are appropriate for You and that the covers selected suit Your needs, allowing for any changes in Your Customer base, types of Goods handled, or contracts You have entered into since the Policy was originally taken out. You should also ensure that You communicate any changes to Your Terms and Conditions to Us.

This document also applies for any offer of renewal We may make, unless We tell You otherwise.

Please note that You need to comply with Your Duty of Disclosure (see page 5) before each renewal. In particular, You must inform Us regarding any changes to the Goods being shipped, radius of Transit, contracts or Customers, or Gross Freight Earnings.

Contact for assistance or confirmation of cover

If You need to confirm any Policy transaction or clarify any of the information contained in this Policy or, if You have any other queries, please contact Us via the details on the back cover.

Your Duty of Disclosure

Before entering into a contract of general insurance with Us, You have a duty, under the Insurance Contracts Act 1984 and the Marine Insurance Act 1909 (as applicable) to disclose to Us every matter which:

- You know; or
- a reasonable person in the circumstances could be expected to know,

is relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to us before you renew, extend, vary or reinstate a contract of general insurance.

This duty of disclosure applies until the contract is entered into (or renewed, extended, varied or reinstated as applicable).

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by Us; or
- that is of common knowledge; or
- that We know or, in the ordinary course of Our business as an insurer, ought to know; or
- as to which compliance with Your duty is waived by Us.

Non-disclosure

Where the Insurance Contracts Act applies

Where the Insurance Contracts Act applies, if:

- You fail to comply with Your duty of disclosure, We may be entitled to reduce Our liability under the contract in respect of a claim, cancel the contract or both;
- Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

Where the Marine Insurance Act 1909 applies

Where the Marine Insurance Act 1909 applies, if You fail to comply with Your duty of disclosure, We may avoid the contract from its beginning.

Who must tell Us?

Everyone who is insured under the Policy must answer the questions in this way.

Alteration of risk

Where the Insurance Contracts Act applies

If You become aware of any changes to the facts or circumstances which existed when this insurance commenced that change the nature of the risk (for example, the nature of Your business operations, or other circumstances that affect the insured Goods carried) in a way that would increase the risk of loss or damage occurring You must notify Us immediately in writing. If We agree to the change We will do so in writing and You must pay Us any additional premium We require.

Where the Marine Insurance Act applies

You must give Us immediate notice in writing if there is any material change in the circumstances or nature of the risks covered by the Policy, or no claim arising after the change shall be payable unless We have agreed to the change in writing.

Premium

Your premium – the base premium We charge is calculated based on a number of factors such as:

- type of Goods to be carried, where the Goods are to be transported to and from, the Gross Freight Earnings of Your business, the cover and Sum Insured required, Your insurance history etc;
- Our obligation to pay relevant government taxes and charges. For example, GST payable in relation to the Policy.

Minimum premiums may apply. When You apply for this insurance, You will be advised of the total premium amount payable, when it needs to be paid and how it can be paid. This amount will be set out in the Schedule, which will be sent to You after the entry into the Policy. If You fail to pay the premium We may reduce any claim payment by the amount of premium owing and/or cancel the Policy. Special rights and obligations apply to instalment premium payments as set out below.

Non payment of Premium by instalments – Right to refuse a claim and/or cancel Your Policy

Where You pay Your premium by instalments, You must ensure that they are paid on time. If an instalment has remained unpaid for a period of at least fourteen (14) days, We may refuse to pay a claim and may also cancel the Policy.

Instalment Premium service fee

In some cases a service fee will apply where You select to pay Your Premium by instalments. We tell You the total amount payable when You apply and when and how it can be paid. This is confirmed in the Schedule We issue to You.

How to make a claim

If You need to make a claim under the Policy, please refer to the "Claims procedure" section (page 24).

Cancellation

- a) You may cancel the Policy at any time by notifying Us in writing.
- b) We have the right to cancel the Policy where permitted by law.

Where the Marine Insurance Act 1909 applies, We may cancel the Policy by giving 30 days notice in the event of any non-payment of the premium or for any other reason available at law.

Where the Insurance Contracts Act 1984 applies We can cancel the Policy in accordance with that Act, including where:

- You failed to comply with the duty of the utmost good faith;
 - You failed to comply with Your Duty of Disclosure; or
 - You have made a misrepresentation to Us during negotiations prior to the issue of the Policy; or
 - You have failed to comply with a provision of the Policy, including payment of premium; or
 - You have made a fraudulent claim under Your Policy or under some other contract of insurance that provides cover during the same period of time that Our Policy covers You.
- c) If We decide to cancel Your Policy We will give written notice to You personally or by post to Your last known address, or Your intermediary. Such notice will be effective from 4pm on the third business day after the day it is given to You, unless it specifies a later date. A posted notice is deemed given to You at the time it would have been delivered in the normal course of the postal service.
 - d) In the event that You or Us cancel the Policy, We may elect to apply the minimum premium provision set

out in the Declaration of Gross Freight Earnings clause (on page 22) or deduct a pro rata proportion of the premium for time on risk, reasonable administrative costs related to the acquisition and termination of the Policy and any government taxes or duties We cannot recover. In the event that You have made a claim under the Policy and We have agreed to pay the full Sum Insured, no return of premium will be made for any unused portion of the premium. Where We have charged a minimum and deposit premium (as explained in the Declaration of Gross Freight Earnings clause), the amount repayable to You may be adjusted based on the correct full premium payable, allowing for actual Gross Freight Earnings for the time on risk.

- e) If the premium has been funded by a premium funding company which holds a legal right over the Policy by virtue of a notice of assignment and/or irrevocable power of attorney, a refund will be made to the premium funding company in accordance with the provisions set out above.

The amount payable in the event of a partial loss will not exceed the cost of repairing and reinstating the item to a condition equal to but not better or more extensive than its pre-loss condition, and in any event not exceeding the above.

- For **packaging/shipping containers**, We will pay the cost of repair or replacement (as required by the hand over agreement or similar document) but not exceeding the insured sub-limit expressed in the Policy or the Schedule where different.

If, in Our opinion, sufficient grounds do not exist to defend Your liability, We will indemnify You for Your customer's claim(s) against You to the extent of the cover provided, but excluding legal costs, expenses and interest, except to the extent such costs, expenses and interest have been incurred with Our prior consent up to the date of Our decision.

Offer of insurance

Where You:

- issue Terms and Conditions of cartage which incorporate an offer to arrange insurance (or any other financial service as defined in section 766B of the Corporations Act 2001 (Cth)) for the benefit of Your Customer; or
- represent to Your Customer that You are able to arrange insurance for their benefit;

the Policy will not indemnify You in respect of Your liability for failure to arrange insurance to the benefit of the Customer, or for any claims arising from Your professional negligence and errors or omissions associated with the offer of insurance. The Policy will respond only to the extent that it would do so in the absence of such an offer or representation and, in the case of Section 1 claims, as if You had issued the unmodified Approved Terms and Conditions.

General conditions applicable to all Sections

Applicable law

The Policy is governed by and shall be construed in accordance with the laws of New South Wales. Any dispute relating to the Policy shall be submitted to the exclusive jurisdiction of a competent Court within the State or Territory of Australia in which the Policy was issued.

Alteration of risk

If You become aware of any changes to the facts or circumstances which existed when this insurance commenced that change the nature of the risk (for example, the nature of Your business operations, or other circumstances that affect the Goods carried) in a way that would increase the risk of Accident occurring You must notify Us in writing. If We agree to the change We will do so in writing and You must pay Us any additional premium We require.

Breach of condition

The law gives Us a number of rights if You do not comply with the conditions of the Policy. In particular cases We may be able to:

- cancel the Policy;
- avoid the Policy from the commencement date of the Period of Insurance;
- refuse to pay a claim;
- reduce the amount to be paid out on a claim.

Cross liability

Where You are comprised of more than one entity, the term "You" will be considered as applying to each entity in the same manner as though a separate Policy had been issued to each entity, provided that Our Limit of Indemnity and liability to make supplementary payments will apply as though there were not separate policies issued to each entity.

Declaration of Gross Freight Earnings

The deposit premium advised at the inception of each Period of Insurance is provisional and based on the estimated Gross Freight Earnings during the Period of Insurance (in some cases split between contracts/cover options taken). On expiry of the Period of Insurance the Policy will be adjusted by applying the agreed rate percent to the actual Gross Freight Earnings for that period. For the purpose of ascertaining any adjustment to this premium.

You must provide, within ninety (90) days from the expiry of each Period of Insurance, the actual Gross Freight Earnings (where applicable, split between contracts/cover options taken as advised by Us).

The difference between the premium based on the actual figures at the end of the period and the premium calculated at inception will be paid by or allowed to You, as the case may be, but in any event a minimum retained premium equivalent to 75% of the full premium based on the initial estimates will be retained by Us. We agree to waive any adjustment of premium (other than the difference between the deposit and full premium calculated on the estimated Gross Freight Earnings) where the difference between the actual Gross Freight Earnings and the estimated Gross Freight Earnings is less than 10%.

You are required and agree to keep accurate records of all such figures and, on request, to provide Us with an audited copy of these records.

Due Care

It is a condition of the Policy that at all stages You must take Due Care in:

- the handling, storage and movement of Goods in Your care, custody and control;
- issuing the Terms and Conditions declared to Us (Section 1 cover option); and
- declaring to Us Your Terms and Conditions, including any changes to the same (Section 1 cover option).

GST notice

The following is a GST provision in relation to premium and Our payment to You for claims. It may have an impact on how You determine the amount of insurance You need. Please read it carefully. Seek professional advice if You have any queries about GST and Your insurance.

Limit of indemnity

All Sum Insured in the Policy may be increased for GST in some circumstances (see below).

Claim settlements – Where We agree to pay

When We calculate the amount We will pay, We will at Your request either pay You or the owner of the Goods or Livestock and We will have regard to the items below:

- Where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim (such as services to repair a damaged item insured under the Policy) We will pay for the GST amount.

We will pay the GST amount in addition to the Limit of Indemnity or other limits shown in the Policy or in Your Schedule.

If Your Limit of Indemnity is not sufficient to cover Your loss, We will only pay the GST amount that relates to Our settlement of Your claim.

We will reduce the GST amount We pay for by the amount of any input tax credits to which You are or would be entitled.

- Where We make a payment under the Policy as compensation instead of payment for a relevant acquisition, We will reduce the amount of the payment by the amount of any input tax credit that You would have been entitled to had the payment been applied to a relevant acquisition.

Disclosure – Input tax credit entitlement

If You register, or are registered, for GST You are required to tell Us Your entitlement to an input tax credit on Your premium. If You fail to disclose or understate Your entitlement, You may be liable for GST on a claim We may pay. The Policy does not cover You for this GST liability, or for any fine, penalty or charge for which You may be liable.

Interests of other parties

Where the protection provided by the Policy covers the interest of more than one party, any act or omission of an individual party will not prejudice the rights of the remaining parties, subject to:

- the loss, damage, liability, cost or expense not being directly or indirectly caused by or contributed to by or arising from any of the remaining parties' misconduct or intentionally caused by one of the remaining parties or any person acting with their express or implied consent; and
- provided the remaining parties must, immediately on becoming aware of any act or omission that increases the risk of loss or damage give notice in writing to Us and on demand pay such reasonable additional premium as We may require.

Other insurance

If at the time of any loss, damage or Accident that may give rise to claim under the Policy, there is any other insurance policy covering the Goods whilst in the ordinary course of Transit effected by any other party then, as provided for under the Insurance Contracts Act 1984 We will not pay for Your claim to the extent the loss or damage is covered by the other policy.

However, this clause will not apply if You are a contracting party under this Policy and the other policy. In such a case You may choose which policy to claim under. If You claim under this Policy We may seek contribution from Your other insurer. You must give Us any information or assistance We reasonably ask for to help Us make a claim from Your other insurer.

Pairs and sets

In the event of loss of or damage to an article forming part of a pair or set (caused by a Defined Peril) no regard shall be made to the value such article(s) may have to the pair or set and the amount recoverable under the Policy shall be calculated as a proportionate part of the insured value of the pair or set.

Prohibited cover or payments

Irrespective of any other provision of the Policy, We shall not be deemed to provide cover or be liable to pay any claim or provide any benefit (including a refund a premium) hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would contravene or otherwise expose Us to any penalty, sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, the European Union, United Kingdom or United States of America.

Subrogation/Rights of recovery

We have the right to take action or institute legal proceedings, in Your name, for the recovery of payments made and expenses incurred in relation to any claim covered by the Policy, against any person, company or entity legally liable to You in respect of that claim. You must provide Us with full information and all reasonable assistance in the recovery of those payments or expenses.

In particular, We reserve the right of subrogation against any of Your Subcontractors not solely and directly working under Your instructions and contract, or which have in place their own insurance arrangements covering their liability for loss or damage to Goods they carry.

Waiver of subrogation rights

We may not be liable to pay any benefits under the Policy for damage to Goods or other liability if You agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate You with respect to that damage to Goods or other liability.

Claims procedure

- A. As soon as You become aware of any, or any potential, occurrence, claim, writ, summons, proceeding or request in writing for damages which may result in a claim under Your Policy You must, at Your own expense:
- (i) take such measures as may be reasonable for the purpose of averting or minimising such loss or damage. We will subject to any claim recoverable hereunder, additionally reimburse You for any charges properly and reasonably incurred in pursuance of these duties.

Measures taken by You or Us with the object of saving, protecting or recovering the Goods insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party;
 - (ii) immediately inform the police of any malicious damage to or theft, of property in Your physical or legal control belonging to others;
 - (iii) advise Us as soon as possible by email, telephone or facsimile telling Us how the loss of or damage to Goods or liability occurred;
 - (iv) take all reasonable action to recover lost or stolen property that was in Your physical or legal control belonging to others and minimise the claim;
 - (v) as far as possible preserve any Goods or Conveying Vehicle or other items which might prove necessary or useful as evidence until We have had an opportunity of inspection;
 - (vi) give Us all the information, proof and assistance We may require to prosecute, defend or settle Your claim including details of any other insurance effected by You or on Your behalf;
 - (vii) as soon as reasonably practicable after the loss of or damage to Goods or liability occurred (or any further time which We may allow in writing) deliver to Us a written claim containing as detailed an account as is reasonably practicable of the circumstances surrounding the property damage or liability. If We ask You to provide Us with a Statutory Declaration You must provide it;
 - (viii) immediately send Us any claim, writ, summons, or full details of other relevant legal or other proceedings such as an impending prosecution or inquest You receive or become aware of; and
 - (ix) at all times give Us all the information and assistance We may reasonably require.

B. You MUST NOT:

- (i) admit liability for, or offer, or agree to settle any claim without Our written consent; and/or
- (ii) authorise the repair or replacement of anything without Our agreement.

C. After You have advised Us of any loss of or damage to Goods or liability:

- (i) You must comply with all the terms of the conditions before We will meet any claim under the Policy;
- (ii) We have the right to recover from any person against whom You may be able to claim any money paid by Us and We will have full discretion in the conduct, settlement or defence of any claim in Your name;
- (iii) We may take over and conduct, in Your name, the defence or settlement of any claim and We will have full discretion in the conduct of any proceedings in connection with the claim;
- (iv) We may pay You the Sum Insured under the Policy or any lesser amount for which a claim or claims may reasonably be settled. After We have paid You, We will no longer be liable for the claim(s) (or future conduct of the claim(s)) except for costs and expenses incurred up until the time We pay You that We previously agreed to pay.

D. Diagnosis:

- (i) Where diagnosis is required to determine if there has been loss or damage covered by the Policy, if You or We incur costs for such diagnosis and reassembly and:
 - a) the claim is subsequently accepted as valid by Us, We will bear these costs subject to Sum Insured; and
 - b) if the claim is not lodged or the claim is not subsequently accepted by Us, You agree to pay for the diagnosis and reassembly costs.
